For 49 years, the Hawthorne Cubs Football Association has provided the coaching, financial, and organizational support for the young players of the Cubs. During that time, the Cubs have benefited from the generous support of the local community, including many businesses, to help fund the operations of the Cubs organization.

Cubs coaches and association members volunteer many hours for the children of our town. The Association relies upon financial support from businesses and individuals to purchase player equipment, pay insurance premiums, pay for referees, and pay various suppliers for our snack stand.

Simply put, the Hawthorne Cubs would not exist without the generous financial support we receive from friends like you.

As the Cubs organization enters its 49th season, we'd like to ask for your support by joining a Cubs Sponsorship Club.

We hope you can participate.

Please select your level of support for the Cubs and return the form to the address on the brochure.

If you have any questions, please call the Cubs' Brian Tousignant at 973-423-0075 (evening) or 201-413-3336 (day).

We thank you for your consideration and your support, both past and future.
