CUBS MEMO: PLAYERS AT CUBS COMPLEX* AFTER GAMES/PRACTICES

ATTENTION ALL PARENTS/GUARDIANS OF HAWTHORNE CUBS FOOTBALL PLAYERS

Please do not allow your children to participate in non-organization sanctioned play or activities on or near the Cubs Field after their respective games/practices.
(MM, PW, JR, SR etc.).

We have had several instances of these situations getting out of control, are not supervised, and have resulted in serious injuries.

The coaches are well equipped to take control during games/practices, however they cannot be expected to supervise your children after the game/practice has ended.

Please supervise your children before and after the games/practices.

Additionally, should an injury occur, not only will the player risk the inability to play in scheduled games, our insurance carrier may not allow such claims. There may also be some player sanctions taken by the Head Coaches at each respective level.

Our goal is to provide a safe and secure environment for all your players and I am sure you can understand and appreciate our concerns.

THANK YOU FOR YOUR ANTICIPATED CO-OPERATION.
